

“The Greatness of a culture can be found in its festivals.”

Festivals are an expressive way to celebrate glorious heritage, culture and traditions. Deepavali, a great Indian festival of lights, symbolizes the spiritual victory of *light over darkness, good over evil* and *knowledge over ignorance*. The prayers, the lightings and the celebrations all around are the glimmers of hope and cheerfulness.

So, here is an opportunity for our beloved students of Class VI to IX to express their devotion and fondness for the divine festival through some dazzling creations.
