Amidst the rich harvest, across the lush greenery

Baisakhi has arrived, in all its majesty, so let's rejoice and celebrate in style

Festivals, besides giving an opportunity to add fun and fervour to life, connect us to our rich culture and tradition. A Special Assembly is being conducted by classes VI-VIII to celebrate Baisakhi on 12th April, 2022 during which children will get an insight into our glorious heritage.

On this occasion, students are invited to showcase their talent through the art of tying turban. So, an 'Inter- House Turban Tying Competition' is being organized to enrich our young generation about the legacy of this artistic culture.

Interested students can give their names to their Class In-charges by 10.4.2022.

Rules:

- Time limit:10 minutes
- Participants should carry bright colored turbans.
- Participants who will tie turban before stipulated time would be given bonus marks.
- If required participants should carry their own mirror.
- One helper is allowed with each participant.
