**'The choices you make today will determine your future ahead.'**

D/P

A student's career starts with the choice of subjects after class X. Most of the students find themselves at bay. They fail to seek proper guidance about their future career. Hence, the situation needs urgent attention and can be improved. The students need to understand their passion and be guided properly towards a bright future.

Keeping this perspective in focus Bal Bharti Public School, Ludhiana is inviting all Parents and Students of Class X to a one and half hour webinar on "Stream Selection" by the renowned counselor - Mr. Jitin Chawla, the Founder and Director of North India's topmost career counseling, Aptitude Testing & Profile Building & study abroad firm from last 21 years. He has been associated with India's top-notch institutes, media channels, and radio to guide students in choosing appropriate streams.

**Coverage:**

1. Understanding Self.
2. Streamwise / Subject wise Career Options
