Olympiads are known for presenting questions that test a student's conceptual understanding of the subject. With clarity of concepts and value addition of new skills, students develop the confidence to take on new challenges. The new mindset for lateral thinking helps to broaden the horizon of learning.

BBPS in association with Humming Birds Education Ltd. is organising Commerce Olympiad on 12 December 2022. There will be 50 questions to be attempted in 60 min. The students will get Free Mock Tests and E-Books on participation.
