# World Literacy Day –Litwits

*“Literacy is a bridge from misery to hope”*

*World Literacy Day is commemorated on September 8 every year. The celebration is a step ahead to a more literate society. Language, either prosaic or poetic, is the first giant leap towards total literacy. Richness of language and literature paves a way towards a robust culture. To evaluate the intellect of poetry among its pupils and provide them a platform to showcase their narrative skills, Bal Bharati Public School, Ludhiana is organizing an Inter-Class Poem Recitation competition in all three languages.*
