

# National Economics Olympiad

**Life is to invent, explore and expand. You have to get going to achieve the best version of yourself !!**

*It's not going to be about specific formulas but more about an economic mindset. Time is changing and so is the economic scenario. Everybody should be economically literate, which means everyone should understand the tools for understanding their economic world and how to interpret events that will either directly or indirectly affect them.*

*Therefore to utilize the potential of young minds the Economics Society, SRCC is inviting students to the National Economics Olympiad, the biggest pan-India Economics Olympiad for students of classes XI and XII.*

*It serves as a great opportunity for students to test their awareness and broaden their understanding of economics in terms of its application in the real world. With sections consisting of questions covering Economic Concepts, Logical Reasoning, Data Interpretation, and Case Studies, NEO prepares its participants for upcoming Board and Entrance exams, thereby giving them an edge over other students.*

*The Olympiad consists of two rounds, both of which will be held online, on the 6th and 13th of November 2022. The Olympiad has a registration fee of ₹199 (Early Bird Offer- ₹179). Coupon Code "SRCC20" to get an early bird discount of Rs. 20 on the registration fee.*

*All the registered participants will be given a comprehensive Sample Question Booklet, a detailed Performance Analysis Report & certificates from SRCC and the toppers will be awarded cumulative cash scholarships worth Rs. 65000+*

*Please note that the registration deadline is 3rd November 2022.*

*Details of the registration are provided over-leaf.*

*All the best for your journey of being a remarkable economist!*
