

# Olympiad Notice

*“In the realm of education, healthy competition creates an environment where students can challenge themselves, embrace innovation, and emerge as lifelong learners.”*

Olympiads are an essential part of a student’s educational journey, encouraging them to explore their knowledge and abilities beyond the confines of the classroom. These competitions provide a platform for students to showcase their skills and compete with peers from different schools, fostering a healthy spirit of competition. They challenge students to think critically, solve complex problems, and develop their analytical skills.

To provide a unique learning experience for students and instil in them the spirit of healthy competition various Olympiads will be conducted at Bal Bharati Public School for classes VI - XII in the month of Nov/Dec, registration for which is open till August 10, 2023. The students are requested to enrol well in time to facilitate a hassle free process of registration.

The details of the Olympiads are as follows:

Name of Olympiad	Date	Test Fee	Class
International Olympiad of Science	21.11.2023	Rs 150/-	VI -XII
