Bal Bharati Public School has initiated to conduct for its students 'National Level Essay Writing Competition', in collaboration with 'Experience Japan'. The aim is to foster dialogue among students on the significance of international relationships and cultural exchange, thereby nurturing informed global citizens who value diversity and harmony. Participants are invited to express their insights and learnings about the shared values, historical ties, and collaborative efforts that have shaped the bond between India and Japan.

The competition will be conducted online, allowing students from across the nation to participate. Participants are required to write their essay in either English or Hindi on the topics provided, adhering to specified word limit.

Grades	Topic (Hindi)	Topic (English)	Word Limit
